Destination Overview

Join Jacqui & Shimon on this Indian Odyssey adventure throughout Northern India.

We will immerse ourselves in the grandeur and cultural heritage of India, traversing the Old and New Cities of Delhi, dining in Heritage Havelis, and witnessing the splendour of the Taj Mahal at sunrise. We then journey onwards to the Pink City of Jaipur, where we explore majestic forts, artisans' wares, textiles and gems.

Our next stop takes us to the holy city of Pushkar and our heritage hotel overlooks the pilgrim's lake. You will wander the bazaars, discovering treasures in this relaxed town and enjoy an evening sunset camel ride.

The journey continues as we travel to the Blue City of Jodhpur, where we will explore the magnificent mountain fort, heritage walks and delight in textile and shawl shopping. We'll cook and dine with local women and learn their spicy secrets. We take a visit to the village of Rohet for our nature jeep safari and the warm hospitality of Rajasthani dining on a rooftop terrace.

Our final journey will take you back in time to the rural village of Narlai, where we will search for leopards on our morning nature safari, stay in beautiful boutique heritage accommodation and dine under the stars in an ancient stepwell.

Woven throughout this tour is a unique blend of yoga, meditation and mindfulness personally curated and facilitated by Jacqui & Shimon.
